Screenshots:

Login Page:

The screenshot shows a web browser window with a single tab titled "To Do Items". The address bar displays the URL "127.0.0.1:8000/login/?next=/". The main content area of the browser shows a login page. The page has a light blue background. In the center, there is a white rectangular box with a red header that says "Login". Below the header, there are two input fields: "Username:" and "Password:". The "Username:" field contains a single character "l". Below the password field, there is a red button labeled "Login". At the bottom of the white box, there is a link that says "Don't have an account? [Register](#)".

Sign up page:

The image shows a web browser window with a dark theme. The address bar displays the URL `127.0.0.1:8000/register/`. The browser's tab bar shows a single tab titled 'To Do Items'. The main content area features a 'Register' form with a red header. The form includes three input fields for 'Username', 'Password', and 'Password confirmation'. Below these fields is a red 'Register' button. At the bottom of the form, there is a link that says 'Already have an account? [Login](#)'.
